Beste Relatie,

Met trots presenteren wij u onze nieuwe chrysantencatalogus, vol met bekende, maar ook met vele nieuwe soorten, zowel voor de kas als voor de buitenteelt.

We hebben getracht om deze zo overzichtelijk mogelijk voor U weer te geven door ze in groepen te presenteren, namelijk een groep voor de pluizers en een groep voor de tros chrysanten. Verder vindt U een kleine selectie van onze andere producten, zoals de potschrysanten, Multinova's, Lavendel, Asters, Gypsophila, Hypericum, Solidago en vele anderen, hiervoor verwijzen wij U naar onze website.

Mocht U bij uw keuze nog vragen hebben over het sortiment, dan zullen onze agenten en vertegenwoordigers U graag van dienst zijn. U kunt natuurlijk ook altijd contact opnemen met onze collega's op kantoor. Verder willen wij erop wijzen dat U ook het gehele sortiment nog eens rustig kunt bekijken op onze website: [www.deconova.eu](http://www.deconova.eu)

Wij wensen U en uw medewerkers een succesvol teeltseizoen toe.

Met vriendelijke groet,
